

Summer Showroom Time campaign

Runtime campaign: Thursday 1st of July 2021 until Thursday 30th of September 2021

How to enter the campaign:

Option 1:

1. Make a quote request for one of the Tractus3D 3D printers, and check the checkbox for requesting a meeting;
2. You'll receive an email with a link to make an online tour through our showroom or a physical meeting at our office;
3. Schedule your meeting right away in our agenda;
4. During the meeting the benefits will be discussed with you and you are able to choose your benefits;

Option 2:

1. Send an email to sales@tractus3d.com requesting a showroom meeting
2. Schedule your tour through the Tractus3D showroom;
3. During the meeting the benefits will be discussed with you and you are able to choose your benefits;

Benefits:

Free basic training to be done during the meeting

The benefit options:

1. 3% discount on 3D printers
2. Free printhead for the selected 3D printer
3. Free rolls of filament:
 - a. LARGE VOLUME series 3D printer: 3x 8kg PLA or PETG
 - b. DESK series 3D printer: 3x 1kg PLA or PETG
 - c. PRO series 3D printer: 1x PEEK or PEKK-C

With a digital meeting, you are able to choose 1 of the three options.

If you agree to the quotation during the digital showroom tour, you are able to choose 2 (two) of the three options

With a physical meeting, you are able to choose 2 of the three options.

If you agree to the quotation during the showroom tour, you will receive all three options.

Terms and conditions

- The benefits are only applicable during the runtime of the campaign;
- Quotations provided before the runtime are able to receive the benefits when a showroom tour is made;
- Quotations provided after the runtime of the campaign are not applicable for the benefits;
- Quotations provided during the runtime of the campaign and with the benefits added, have an end date of 31st of October 2021. After this date, the benefits will be removed;
